Specifications

Desk

25mm thick tops and panel ends, with 18mm modesty panels manufactured from certified E1 particle board, with 3mm PVC protective edging. Dowel and metal cam construction. Cantilever frames are 18 gauge MAT steel tubing finished in Silver RAL 9006.

Pedestals

25mm tops and 18mm carcass. Board as previous description, with dowel and metal cam construction. Castors are 400mm 4 screw plate. Metal runners with 25kgs weight loading. Drawers are 4 sided wrap round with dowel and glue assembly, hardwood base, and fitted height adjusters.

Components

All components conform to the relevant European standards.

2 Door Cupboards and Bookshelves

25mm tops, 18mm carcass and backs. Board as previous description. Cupboards lockable, and all units fitted with shelves. Floor adjusters fitted as standard.

Conference Tables

25mm tops and 2mm PVC protective edging, board as previous description. 60mm chrome round legs fold down for easy storage.

Chair Fabrics

Screen Fabrics

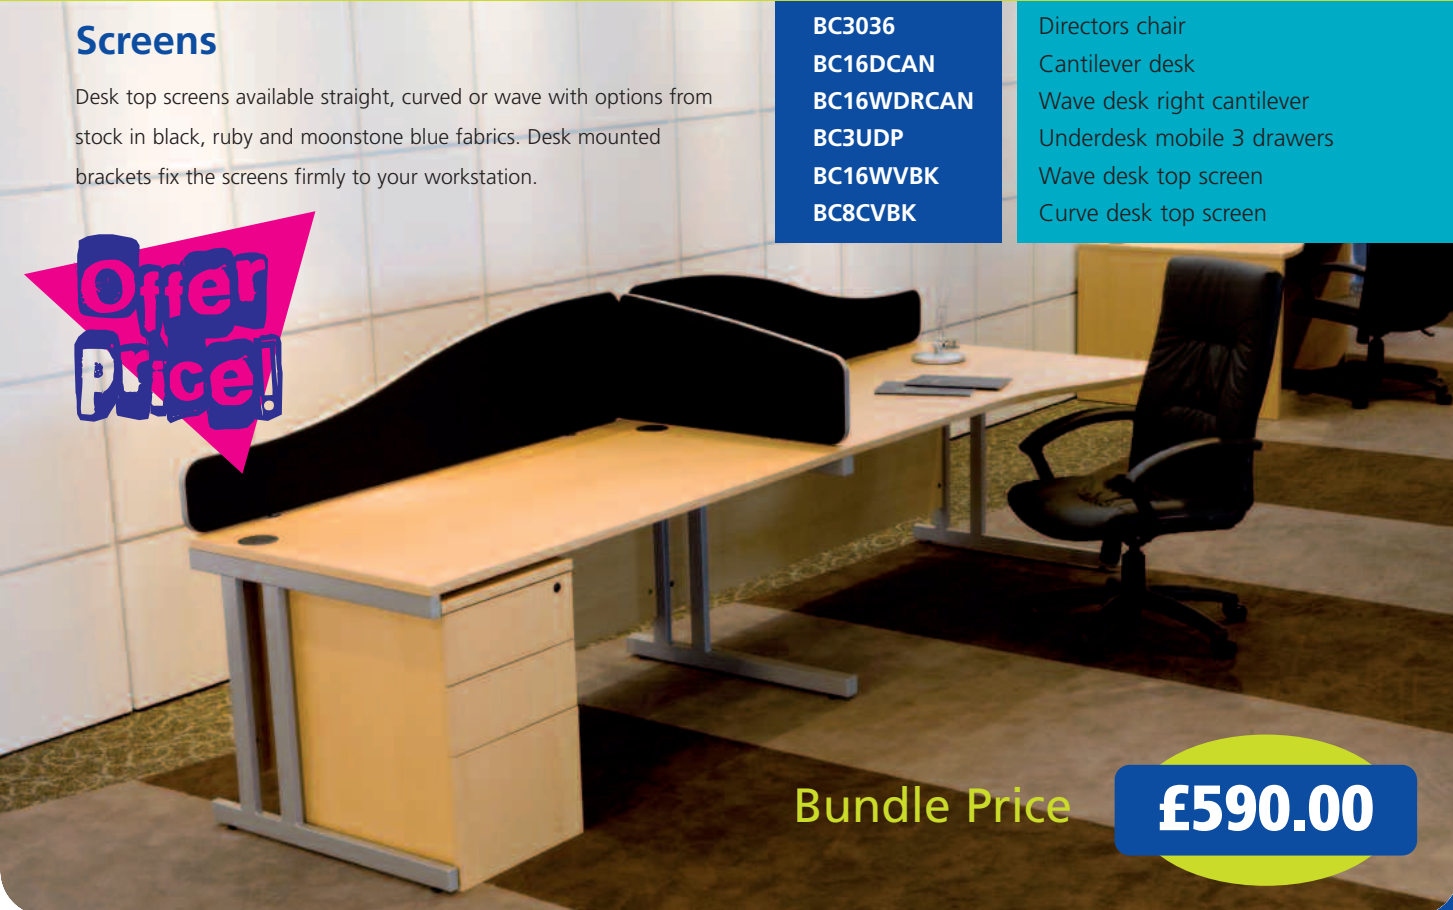

Five working days delivery to mainland UK only, excludes the Highlands, Devon and Cornwall, and is also dependent on availability of products ordered.

Screens

Desk top screens available straight, curved or wave with options from stock in black, ruby and moonstone blue fabrics. Desk mounted brackets fix the screens firmly to your workstation.
